2c. Adult Education Committee

The purpose of the Adult Education Committee is to enhance the spiritual growth of members and friends, and provide information to assist them in responding to the world from a grounding of faith. To that end the committee provides Bible studies, book studies and forums on spiritual, personal, social and political issues of the day. Committee members collaborate in the selection of topics and materials for studies. The committee consists of eight members each serving a 2-year term, with a chairperson chosen by the committee. Meetings are generally held monthly as agreed upon by the committee members.
