

2i. Open and Affirming Committee

The Mission Statement of the ONA committee:

The responsibility of the committee shall be to ensure that Plymouth's open and affirming statement exists as a living document through the celebration and advocacy of inclusion within the life of the church and its community. Working cooperatively to connect with the missions of other committees within the church, ONA will offer educational and outreach opportunities to affirm the dignity and worth of every individual advocating for a safe, loving community of faith.
