

# THE PLYMOUTH PLACARD

March 2019

## WORSHIP FOR MARCH

As you know, Plymouth is launching an experiment with **Dinner Church** on Sunday, March 3, at 6:00 p.m. Our deacons and Dinner Church Ministry Team are launching this experiment on the first Sunday of each month with assistance from a grant from the Lilly Endowment. It's a great opportunity to **invite a friend** who might need the gift of Plymouth! RSVP at [tinyurl.com/plymouthdinnerchurch](http://tinyurl.com/plymouthdinnerchurch), by returning the postcard mailed last week, or by calling the office.

Are you ready for Lent? While some churches see it as a penitential season, which is the traditional view, at Plymouth, we observe Lent as a time of reflection and commitment. Perhaps you will want to start with the art and spirituality retreat for all ages, *Going Deeper: Putting Down Soul Roots* on March 8-9. Maybe you'll begin a practice of daily prayer. Maybe you will pick up a copy of the UCC Lenten Devotional our deacons have ordered.

Worship times (unless otherwise noted) are  
9:00 communion service  
11:00 choral service (communion on first Sunday)  
6:00 eclectic service with communion

## PLYMOUTH'S THEME FOR 2019:

## GO DEEPER

Our mission statement at Plymouth is deceptively simple and includes worshipping God and making God's realm or kingdom visible in our lives, both individually and collectively, and we do this by inviting people into our community, engaging in spiritual transformation, and sending those who have been invited and transformed into God's wider world.

Many of us at Plymouth are committed to doing the work of the kingdom through serving, mission, education, community action, and engagement. Sometimes we need to take a step back and work on our own sense of spiritual transformation so that we have the emotional and spiritual wherewithal to keep going and not become dried out, burnt out, or used up. We need to find ways to use our roots to bring life-giving water and nutrients to the rest of the tree.

We, all of us, are here at Plymouth to have an engaged connection with God and one another, and it takes time to keep rebuilding our sense of being in relationship with God and to continue to develop our faith. Traditionally, this has been the task of discipleship and learning. But it's not simply intellectual apprehension; rather it involves opening one's heart as well as one's mind. For many folks at Plymouth, open minds are not a challenge, but open hearts are more of a work in progress...I know, because it's true for me, too!

When our Leadership Council approved our theme this year, it challenged us to be intentional about **going deeper** and finding the life-giving wellsprings of our faith. It will take a commitment on the part of each member to engage individually, and it will require all of our boards, ministry teams, and committees working together to realize a change or transformation in our life of faith.

What does **going deeper** look like? It could look like a new spiritual practice for you and your family, or spending the first 15 minutes of your board meeting doing Bible study, or spending time journaling about how you want to become a closer follower of Christ. Perhaps it means starting a prayer practice with your family before dinner each night, or signing up one of our spirituality small-groups. It might mean that any number of things that our lay leaders, pastors, and staff invite you into during the year.

Here is a **great opportunity** coming right up: On **March 8-9**, the Rev. Linda Privatera, an Episcopal priest and artist, will be leading us in a fun, all-ages art and spirituality retreat at Plymouth on Friday evening and Saturday called **"Going Deeper: Putting Down Soul Roots."** Go

to [plymouthucc.org/artweekend.html](http://plymouthucc.org/artweekend.html) for more info and to enroll. It's a great way to go deeper as we begin the reflective season of Lent on March 6.

One way our Outreach and Mission Board is **going deeper** is by reading *The Greatest Prayer*, an exploration by Dom Crossan, and spending time at the outset of each meeting discussing it. What a great way to **go deeper** into the grounding of our faith, and use it to empower our mission!

Being a follower of Jesus isn't easy. And it isn't meant to be "comfortable" all the time; being a disciple who **goes deeper** can be a challenge. And it also can result in how we experience the world, what gives us a sense of joy, and a sense of inner knowing that we are part of God's realm.

Yours on the journey,

# LEADERSHIP COUNCIL UPDATE

The newly-configured Leadership Council held its first meeting on Feb 11. Members for 2019 are: Hal Chorpenning, Stephanie Cotton, Greg Ebel, Ken Freese, Elaine Kim, Jim Medlock, David Petersen, Diane Stober, Marilu Theodore, and Harmony Tucker.

We reflected on what it means to meet during the course of the church's liturgical year and, in specific, the significance of meeting after the 5th Sunday of Epiphany and during Ordinary Time. During the meeting, we received the senior minister's staff report and treasurer's report, approved housing allowances for ordained clergy, made liaison assignments for boards and committees, affirmed goals for Plymouth during 2019 as well as the senior minister's goals for 2019, and learned about newly appointed Adaptive Challenge Task Force. In addition, the Council is aware that, at the moment, two of the Church's boards need more members in

order to do their work. (See the request from the Deacons, in the right column.) The assistant treasurer position also remains open. Finally, Leadership Council discussed the significance of the Church's theme for 2019, "Go Deeper," and its implications.

**All board and council members** are encouraged to participate in the training event led by Michelle Betsill and Bruce Ronda, on the evening of March 12.
