

PLYMOUTH CONGREGATIONAL UCC

Funeral or Memorial Service Costs

Please know that our primary concern is providing a service that honors God and your family member. We understand that this is a stressful time for families, so in order to make this less complicated, we're making it possible for you to write a single check to Plymouth for all of the services the church itself provides. We also want you to understand that if there is financial hardship in your family, we are happy to work with you to ensure that your wishes can be met in a way that works for you.
