February 2019

## WORSHIP FOR FEBRUARY

Walking through the season of Epiphany, we continue to be guided by the light of the Star of the East. Though the days are short and nights are long, we look for the light.

Please be on the lookout for our guests at Plymouth, and offer them a warm welcome! One approach, if you are unsure whether they are guests, is this sentence I once heard in a church in Connecticut: "Hi! I'm Sue (but please use your own name!). You may have been a member here for years, but I don't think we've met yet, and I wanted to introduce myself." That puts a guest at ease as they feel welcomed... and, of course, look out for blue mugs at coffee hour!

*Worship times (unless otherwise noted) are:*

9:00 Communion service

11:00 Choral service (Communion on first Sunday)

6:00 Eclectic service with Communion

## FROM HAL'S DESK: FOOD FOR THE SOUL

Agape meal fresco from the Catacombs of Domitilla in Rome.

There is an old joke that potluck suppers are the third sacrament in Protestant churches. Though if you look at early Christian imagery, whether 2nd c. catacomb frescoes in Rome or 5th c. mosaics in Ravenna, the theme of the agape meal is shown as a central part of Christian worship and fellowship. Indeed, one of our two sacraments is a remembrance of a meal (and the other has echoes of bathing). In the early church, Communion was integrated into a communal meal: an agape meal that reflected the self-giving love in sharing life-sustaining food. The Eucharist eventually became a separate sacrament, probably in the second century.

Earlier this year, Mark Heiskanen and I were invited to create a proposal for the Church Music Institute and the Lilly Endowment to enhance our worship, and we were selected as participants in this new pilot program. We have proposed an exploration of "Dinner Church," which is a new spin on an old theme: an agape meal integrated into the service itself. So, with \$2,500 in funding from the Lilly Endowment, we will be launching an experiment in Dinner Church at Plymouth on Sunday, March 3 at our 6:00 service. The plan at this point is to do a trial run of Dinner Church as a monthly, integral part of our evening service.

Last week, Mark, Eleni Thayer, Sara Mullarkey, Jane Anne Ferguson, and I attended a Dinner Church event at First Congregational UCC in Boulder, and we think it will be a great fit for Plymouth! And last Sunday, Mark, Eleni, Sara, Anna Olsen, and I met for our first ministry team meeting to work on this innovation.

ready for something fun, distinctive, and meaningful! Communion will also be incorporated into the service, as it was in the early church, and we will share Communion around the table.

Mark and I attended a weekend workshop and class at Brite Divinity School in Fort Worth this summer with our CMI/Lilly cohort group and returned and made some adjustments in our evening service as a result of rethinking parts of the liturgical and musical flow. We begin the service with lowered lights and invite people to enter in silence, and then to come forward and light a candle and offer a prayer or intention for the service. That simple liturgical action grounds us in the sacred. We also have streamlined the instrumentation for the service, so on some Sundays Bobby Brannock plays piano with a cantor, and we also sometimes include another instrumentalist or two (and last Sunday two new members, Abigail and Scott Steadly, played Celtic fiddle and guitar!). Dinner church will be an opportunity for us to engage CSU students and others who need a new entry-point into church. (Believe it or not, if you've never been to church, black robed clergy, white-robed choirs, and organ music can be intimidating.)

I'd like to thank Mark and our new Ministry Team for their engagement, and I look forward to sharing this experience with you! And it's a great time to bring a friend to Plymouth for dinner! Join us to celebrate this meal and Christ's presence among us! All are welcome.

In the spirit of agape,

Our service will be held around tables in the Fellowship Hall, so get

# LEADERSHIP COUNCIL UPDATE

Leadership Council has been busy in the run-up to the Annual Meeting on 1/27. At January's LC meeting, we approved the proposed 2019 Budget. 2018 proved to be a challenging year for our giving, and we will diligently work with Budget & Finance to understand the factors involved. We will also be closely monitoring the budget and giving throughout 2019. While these are difficult challenges, we also found bright spots in our work. We are launching an "Ordinary Miracles" bulletin board to celebrate the everyday ways Plymouth contributes to God's realm on earth. All will be able to recognize people and achievements to bring positivity to light. LC also approved Personnel's recommended policy revisions, which can be found on our website (Members → Constitution & Policies), along with other governance documents. Stay tuned for updates from our newly formed Adaptive

Challenge Task Force, which is tasked with analyzing and recommending responses to the changing demographics and opportunities facing Plymouth.

I have appreciated the opportunity to serve as your Moderator this past year. David Petersen is going to be a fantastic Moderator, and I urge you to support his leadership through prayers, friendship, and communication.

Short film, group discussion, and hands-on art projects will help us grow in our capacity for empathy.
