## Personnel Policy

### Preamble

The purpose of this policy is to define the personnel administration provisions of Plymouth Congregational United Church of Christ, Fort Collins, Colorado. Further, it is to provide for the administration of the policy and to ensure that the employment, supervision, development, recognition and separation of all Plymouth employees are fair, uniform, and within the provisions of the constitution of Plymouth.

### I. Introduction

A. Plymouth Congregational United Church of Christ acknowledges the importance of all its employees in the life of our church. Each employee is encouraged to see the whole church's functioning as being facilitated by his or her specialized area of emphasis.

B. Administration of Plymouth. The Senior Minister shall be the senior executive of the church. The Leadership Council shall be the executive body of the church, with fiduciary, legal, personnel and strategic planning responsibilities.

## 1. Ministerial Staff.

- a. The Senior Minister shall be called for an indefinite term. When a vacancy occurs in the position, a committee to be known as the Pastoral Search Committee shall be elected by the congregation to seek a candidate. The constitution of the local church and policies of the Leadership Council shall describe the election and work of the Pastoral Search Committee.
- b. When a Senior Minister has been elected and has accepted the call, the Association to which the church belongs shall convene an Ecclesiastical Council for the purpose of recognizing or installing the Minister in accordance with the established usage. The Minister shall become a member of the church and his or her ecclesiastical standing shall be transferred to the new Association at the first opportunity.
- c. The church may call Associate Minister(s) in the same manner as the Senior Minister. They shall become members of the church and shall be recognized by the Association in a similar manner.
- d. The Ministerial Staff may be referred to as Pastoral Staff with the same meaning.

## 2. Program Staff

- a. Program staff are staff members who have areas of responsibility relating to worship, congregational nurture and Christian formation. They include, but are not limited to, such positions as director of music, and director of youth or adult formation. Program staff are exempt from the wage and hour provisions of the Federal Fair Labor Standards Act (FLSA) and do not receive overtime pay. To be classified as exempt, the employee must meet the primary duty test of the executive, administrative or professional classification and be paid a weekly salary in excess of the amount set by the Department of Labor's regulations.
- b. The hiring of program staff and the description of their areas of responsibility shall be the task of the Leadership Council, working closely with the Senior Minister and the Personnel Committee. Ad hoc committees may be appointed to aid in the hiring process.

## 3. Administrative and Building Staff

- a. Administrative and building staff are staff members who assist the ministers and the program staff or who maintain the church building and grounds. They include, but are not limited to, such positions as office manager, business manager and custodians.
- b. Administrative and building staff shall be hired by the Senior Minister.

## II. Scope

These personnel policies cover all employees of the church. The Senior Minister, in consultation with the Personnel Committee, reserves the right to waive or modify any particular policy in the event of a specific hardship with any employee.

### III. Overview

The staff of Plymouth plays an important role in the life of the church. Employees are expected to show Christian consideration and cooperate with all other employees, members of the congregation, and the general public, even under trying circumstances. All employees are encouraged to support the mission of the church and share a common interest in the development and success of the church. Plymouth employees should be interested in, and in basic harmony with, the programs and goals of the church.

### IV. Federal and State Laws and Regulations

A. TITLE VII - Equal Employment Opportunity Plymouth is committed to the principles of equal employment opportunity. To the extent permitted by law, the church recruits, hires, trains, promotes and compensates individuals and makes personnel decisions without regard to race, color, age, sex, national origin or ancestry, marital status, veteran status, sexual orientation or physical or mental disability unrelated to the individual's ability to perform the job.

B. Policy Against Sexual Harassment Please see LCP-8 Safe Church Policy.

C. Immigration Reform and Control Act The Immigration Reform and Control Act of 1986 requires that employers hire only individuals who are authorized to work in the United States. All persons hired by Plymouth must present evidence of U.S. citizenship or eligibility to work in the United States by completing Section 1 of Form I-9 no later than the first day of work for pay and give supporting documentation to Plymouth. Plymouth will complete Form I-9 Section 2 no later than the third business day after the employee starts work for pay. All employees will fill out an Employment Eligibility (I-9) form, which will be kept in their personnel file. The treasurer will keep I-9 forms for childcare staff.

### V. Responsibility

A. The Senior Minister has primary responsibility for the administration of these policies and procedures. He or she may take problem-solving action, keeping the Personnel Committee informed of significant outcomes that may indicate the need for mediation or for revision of these policies.

B. Each employee is responsible for reading and understanding these policies and procedures. The Senior Minister will provide copies to each member of staff.

C. All employees are responsible for furnishing the Senior Minister with necessary

information regarding dates for vacation, sick days taken, leave of absence days, etc. A record of this information will be kept in the employee's file maintained by the Senior Minister.

## VI. Employment Status

A. Job Descriptions All employees of Plymouth, including ministerial staff, shall have job descriptions. Employees have the responsibility to perform the job as outlined in the job description, including additional duties as assigned.

B. Initial Review Period All new employees, other than ministerial staff, are "probationary" for the first six months of employment. All probationary employees receive benefits at the time of their employment. This policy allows Plymouth to determine whether the employee is able to perform satisfactorily the work assigned. It also enables the employee to review his or her position with Plymouth. If the employee's work is not satisfactory during this period, employment will be terminated. All new employees who continue at Plymouth are given a written evaluation by their supervisor at the end of the Initial Review Period.

C. Benefits Eligibility Full-time employees are eligible for full employee benefits. Full-time employment shall be for a minimum of 40 hours per week.

## VII. Compensation

A. Salaries for all employees shall be determined by the Leadership Council in consultation with the Personnel Committee and the Senior Minister.

B. Salaries shall be reviewed at least once annually by the Personnel Committee in advance of the adoption of the new budget. Salary increases will be effective on the first pay period after approval of the budget at a congregational meeting.

C. Hours. Employees may be asked to work hours at times other than the regularly scheduled work week. Generally, administrative staff work Monday through Friday; custodial staff work Monday through Saturday. Normal hours for administrative staff are from 9:00 a.m. to 5:00 p.m. Employees may adjust their regular work day to a different schedule with prior approval of the Senior Minister or their supervisor.

D. Lunch. Employees are entitled to a one-hour unpaid lunch break. Employees are expected to schedule their lunch by agreement with their supervisor so there is sufficient office coverage. Lunch periods may not be accrued for use on other work days.

E. Overtime. Every attempt should be made to complete work assignments during normal work hours. Overtime needs to be preapproved by the employee's supervisor. Overtime begins when a non-exempt employee works more than 40 hours in a one-week, Sunday to Saturday, period. Paid holidays, paid leave days, paid vacation days, and unauthorized absences, during which the employee does not work, will not be counted as hours worked in computing weekly overtime. Overtime shall be compensated at the rate of time-and-a-half.

## VIII. General Employment Expectations

Employees should feel free to discuss any problems or concerns at any time with the Senior Minister.

A. Attendance If an employee is to be late or absent from work, it is that employee's responsibility to contact his or her supervisor within the first scheduled hour of work. Absenteeism includes failure to report, late arrival, or early departure without authorization.

B. Use of Church Property No Plymouth employee shall use any Plymouth property, equipment, vehicles or other materials for personal use without prior permission from the Senior Minister.

C. Confidentiality All employees will sign a confidentiality agreement with Plymouth Church.

D. Conduct All Plymouth employees are expected to conduct themselves in a manner that reflects favorably on themselves and on the church, demonstrating tact, courtesy and good judgment. During working hours, employees are expected to devote their energies and attention to the service of the church and not to personal affairs. Employees are expected to present an appropriate appearance at all times.

## IX. Benefits

Full time employees will accrue one (1) day (8 hours) of sick leave per month (12 days or 96 hours per fiscal year). Part-time employees will accrue the same benefit, but prorated to conform with the percentage of full-time worked. This time may be used for personal or immediate family member illness or medical appointments. (Immediate family consists of spouse or partner, children, parents, brothers, sisters or other relatives living in the same household.)

If sick leave is not used within a year, a maximum of 100 days may be banked for use only in the event of a short-term disability or parental leave not otherwise covered by other insurance benefits for a given employee. In the case that an employee becomes disabled for more than ten (10) days and needs to use banked time for short-term disability, this should be communicated to the immediate supervisor and a written request should be forwarded to the chair of the Personnel Committee as soon as possible. This request should include a medical verification of disability and an estimated time of return to work. Final approval will require agreement by Leadership Council.

Employees will continue to accrue sick leave during sabbatical leave.

Employees terminating employment will not be paid for accrued and unused sick leave.

4. Jury Duty. Full-time and part-time employees are excused for jury duty and will receive full salary while serving.

Study leave must be directly related to career goals and objectives as well as the development of skills that are useful to Plymouth. Therefore, it is granted only when clearly identified targets have been agreed upon for the particular study leave being requested.

Satisfactory provisions must be made to cover the employee's work.

Study leave, if granted, must be used within the period designated and is not cumulative from year to year.

A request for study leave for the Senior Minister and Associate Minister(s) will be reviewed and granted by the Personnel Committee. A brief written report on the specific accomplishments of the leave will be presented to the Personnel Committee.

Study leave for all other employees may be granted by the Senior Minister.

- d. A brief written report on the sabbatical experience will be submitted to Personnel Committee and Leadership Council within three months of return.
- e. Sabbatical leaves may not be taken simultaneously by two ministers of the church. The ministers not on sabbatical leave will be responsible for all pastoral services during a sabbatical leave of the other minister on the staff. If additional or replacement pastoral services are needed in the absence of one of the ministers, Leadership Council should allocate an appropriate amount each year in the church budget for the purpose of replacing the minister.
- f. It is expected that a person will continue in the service of Plymouth Church for a period of at least one (1) year following the sabbatical leave.

8. Funeral Leave. Plymouth Church will allow a maximum of five consecutive work days of paid leave for employees (pro-rated for part-time employees) to make arrangements for and/or attend the funeral services of a member of the immediate family. Additional days for travel may be taken and charged as vacation time. Immediate family consists of spouse or partner, children, parents, grandparents, brothers, sisters or other relatives living in the same household. One day is allowed to attend funeral services or assist in other ways upon the death of other relatives.

In the event more time is needed, the Senior Minister, in consultation with the Personnel Committee, may grant additional days of vacation time or unpaid excused absence. In the case of the Senior Minister needing extra time, the Leadership Council, with recommendation of the Personnel Committee, may grant additional days of vacation time or unpaid excused absence.

9. Parental Leave. A full-time or part-time employee who has at least six months of continuous service is eligible for parental leave in the period immediately preceding and following the arrival by birth, adoption or guardianship of a child as follows:

- e. Upon completion of parental leave, the employee will be eligible to return to his or her position.
- f. Any salary increase action for which the employee may become eligible in the course of the leave will be effective on return to employment.
- g. A written plan for parental leave must be submitted to the Senior Minister and Personnel Committee (and in the case of the Senior Minister taking parental leave, to the Leadership Council and Personnel Committee) requesting parental leave.

10. Military Duty. Any employee called to temporary active duty, such as National Guard or Civil Air Patrol, will be excused for this purpose without pay.

- a. Plymouth shall pay the employer's share of FICA for all employees, as required by the law.
- b. Ministerial staff are eligible to enroll in Social Security on a self-employed basis and are required by law to pay FICA directly. In line with UCC guidelines, Plymouth will provide a FICA offset equal to one-half of the Social Security self-employment tax on the

sum of cash salary and housing allowance for settled clergy.

3. Housing Allowance. Plymouth shall annually designate as housing allowance based on the minister's election approved by the Leadership Council a portion of the total compensation paid to ministers or provide a parsonage, in accordance with Section 107 of the Internal Revenue Code.

Spouses and/or dependents of employees choosing this coverage may be added to the policy at the employee's expense. An employee may not elect to receive a salary adjustment in lieu of health insurance coverage. Plymouth will extend life and disability insurance to employees working 80% or more FTE.

c. Employees working less than 80% FTE may elect to participate in the health insurance plan, at their own expense, subject to the insurance carrier's underwriting guidelines. The Senior Minister shall be consulted for more detailed information.

d. The benefits the church provides are subject to review and change based on costs and the availability of coverage.

5. The church may provide for short term counseling for employees in conflict resolution, stress management, finance or substance abuse areas at the discretion of the Senior Minister. If the Senior Minister needs such services, the Personnel Committee and Moderator may approve such services.

6. Worker's Compensation. Employees who are injured during the hours of employment on the job will be covered by the Colorado State Workers' Compensation Act. Every injury, no matter how trivial, must be reported immediately to the Senior Minister or his or her designee or benefits could be lost.

X. Problem Solving

Plymouth desires to maintain an open and frank atmosphere in which questions, suggestions, problems or complaints can be raised without fear of reprisal. Employees are encouraged to raise questions and suggest improvements at any time, including suggestions for improvements in these personnel policies.

If an employee encounters a problem with another staff member, he or she is encouraged to discuss the matter directly with that employee. If the problem cannot be resolved at that level, he or she should discuss the problem with his or her own supervisor. If the problem remains unresolved, he or she should discuss it with the Senior Minister. If the resolution suggested by the Senior Minister seems unfair to the employee, the Senior Minister will initiate a conversation with the Personnel Committee and the employee. Following that, if necessary, the grievance procedure may be engaged.

## XI. Grievance Procedure

Plymouth is committed to treating employees honestly and fairly within the parameters of these personnel policies. If any employee feels that a personnel policy has been applied incorrectly, or if the processes in Section X have been exhausted, he or she is encouraged to discuss the problem directly with the Senior Minister who shall provide a response expeditiously. If this informal procedure does not resolve the problem to the employee's satisfaction, he or she may file a formal grievance, which will be handled as follows:

1. The employee should submit a written grievance to the Senior Minister.
2. The Senior Minister shall provide a written response to the employee within ten days.
3. If the employee remains dissatisfied, he or she may submit a written grievance to the Personnel Committee.
4. The Personnel Committee will gather information from all parties involved and shall prepare a written response within twenty days. The response of the committee is final.

## XII. Performance Feedback and Evaluations.

All staff members are to be evaluated annually or more often when requested by the staff person, his or her supervisor, or the Personnel Committee. "Staff members" includes all employees of Plymouth Congregational United Church of Christ.

Strict standards of compassionate openness, honesty, and confidentiality are expected of all involved. There are two different processes. First, there is a feedback process for ministers. Second, there is a performance assessment process for all employees.

### A. Congregational Feedback for Ministers

The Personnel Committee will conduct an annual process to provide feedback from members to the ministers that shall include the following:

- 1) The Personnel Committee shall devise a feedback form to be filled out by members of the congregation and the staff including the Senior Minister. These forms must be signed in order for them to be considered. At the discretion of the Committee and in consultation

with the Moderator, the names of those who fill out the forms may or may not be shared with the ministers. The decision will be made before the forms are distributed to the congregation. Leadership Council evaluative committee will be solicited to provide feedback as part of the evaluation.

- 2) The completed forms will be sent to the Personnel Committee. They will be kept in a secure location and destroyed after the evaluation is completed.
- 3) The Personnel Committee will compile the responses and create a summary document about each minister.
- 4) The summaries will be sent to an evaluation committee of the Leadership Council that will include the Moderator, Vice-Moderator, Past Moderator, and a member of the Personnel Committee. The Leadership Council committee will conduct personal interviews with each minister based on the summary documents and a written self-evaluation. Each minister will have access to the document about himself/herself. The committee will determine how to handle any negative comments from the congregation or staff that are deemed appropriate for attention.
- 5) It shall be the responsibility of the Moderator to report to the congregation that the feedback process has taken place.

#### B. Performance Evaluations

All ministerial and program staff members and administrative staff working 50 percent time or more are to be provided a performance evaluation annually. For staff members other than the Senior Minister, the process will be conducted by the direct manager of the employee with Personnel Committee assistance if requested by the direct manager or the staff person. Leadership Council is responsible for evaluating the Senior Minister.

Each staff member will write a self-evaluation of their work during the previous year. The self-evaluation will be based on their job descriptions and the goals they set with their supervisor. New goals for the upcoming year will be established.

The Senior Minister is responsible for employees referenced in the prior paragraph receiving timely, quality performance evaluations.

### XIII. Separations

#### A. Resignations

1. Should a member of the ministerial staff desire to dissolve the pastoral relationship, he or she shall notify the Moderator in writing, who, in turn, shall submit the resignation to the

Leadership Council. When accepted, the resignation shall become effective at the end of sixty days, unless otherwise agreed upon by both the Minister and the Leadership Council.

2. All other staff may resign by submitting a resignation letter to the Senior Minister at least fourteen days before the effective date, or otherwise by mutual agreement.

3. If an employee voluntarily resigns, he or she will receive a final paycheck on the next regular payday following the last day worked. If an employee is dismissed, he or she will receive a final paycheck on the last day worked as required by Colorado law. If the employee is insured, his or her insurance will continue through the last day of the month terminated. Retirement contributions will cease with the employees' agreed-upon end date. Employees should keep the Church informed of address changes so that W-2 forms and other mail can be properly forwarded. A departing employee will receive payment for unused vacation days.

4. When ministerial or program staff members or administrative staff working 50 percent time or more resigns or retires, the Personnel Committee should arrange for an exit interview in executive session.

a. If the person resigning or retiring is not the Senior Minister, the Senior Minister shall be a part of the interview.

b. When a ministerial staff person resigns, a member of the Association Church and Ministry Committee may be invited to the exit interview if requested either by the minister or the church.

## B. Dismissal

In cases of unsatisfactory performance, the corrective action process is:

1. Verbal discussion In the first instance of a minor offense, a verbal discussion is conducted with the employee by a supervisor or the Senior Minister. The employee has an opportunity for comment, and specific recommendations are made for correction and follow-up.

2. Written notification If the same or more serious offenses occur, a written notice shall be given by the supervisor and/or the Senior Minister, stating the exact nature of the offense(s), specifying possible future disciplinary action, and again making specific recommendations for correction and follow-up. A copy of the notice is placed in the employee's file. The employee is required to read and sign the formal notice and has the right to appeal to the Personnel Committee if he or she feels that the notice is unjustified.

3. Dismissal If unacceptable behavior continues, termination of an employee may follow.

a. Ministerial Staff The relationship between the church and an ordained pastor may be dissolved by either party through written notice of intent sixty days prior to the effective date. If it is the church's intent to terminate the employment of an ordained pastor, such action shall require a majority vote of the congregation at a meeting duly called for that purpose. Notification of the severance of the relationship between an ordained minister and the church shall be sent by the Moderator to the Conference Minister and to the chair of the Church and Ministry Committee of the Platte Valley Association.

b. Program staff may be terminated by a majority vote of the Leadership Council upon recommendation of the Personnel Committee.

c. Administrative and Building staff Termination of administrative and building staff may be done by the Senior Minister after consultation with the Leadership Council.

The separation date is the last day worked by the employee. Accrued vacation cannot be used to extend the separation date. The amount of separation pay will be determined on an individual basis after consultation with the Personnel Committee and the Senior Minister. A departing employee will receive payment for unused vacation days.

#### XIV. Hiring Policy

1. Members of Plymouth are ineligible to be considered and/or hired as permanent church staff. Under certain circumstances members can be hired as temporary staff.
2. Members of Plymouth permanent staff are welcome to join the congregation, and will sign a policy statement at the time of hiring to affirm their understanding that:
  - a. their employee responsibilities are primary,
  - b. they must take care to separate the voice used to express personal opinions as a congregational member from that used to give opinions as a professional staff member concerning congregational decisions, and
  - c. they will be asked to take a hiatus from Plymouth programs and worship when they leave a position
3. Temporary staff members will be subject to the expectations found in #2, a and b above. Should it be considered beneficial to the church community, temporary staff may become permanent at the request of the senior minister and with the permission of both the Personnel Committee and Leadership Council.
4. When a permanent member of staff leaves, he/she will be asked to take a hiatus from Plymouth programs, including, but not limited to worship, social events, committees, and meetings:
  - a. In the case of program and administrative employees, the Personnel Committee shall set the duration of the hiatus during the exit interview with the employee. If the staff member does not choose to attend the exit interview, the Personnel Committee

will determine the length of the hiatus. The staff member will sign a statement of understanding that will reside in his/her personnel file. The member may again serve as a volunteer after hiatus in the same areas in which he/she has previously held professional responsibilities unless the Personnel Committee and/or Leadership Council believe such action would be harmful to the church community. Each situation will be considered separately as it arises.

b. In congruence with the prevailing customs and ethics of the UCC, ministerial staff who wish to return to Plymouth's congregational life after prior permanent service at Plymouth, must first be in consultation with the Rocky Mountain Conference as well as Plymouth's Personnel Committee, Leadership Council, and the Senior Minister. Decisions concerning renewing participation in Plymouth programs will be made after such discussions.
