

Why Camp ?

MORAL DEVELOPMENT

Unlike almost any environment most children encounter, our camps facilitate intentional discussions around what it means to be a moral agent with free will; why ethical questions are important; and how they interact with our faith.

INDEPENDENCE

Camp is the perfect place for kids to practice making decisions for themselves without parents and teachers guiding every move. Managing their daily choices in the safe, caring environment of camp, children welcome this as a freedom to blossom in new directions.

CONNECTION WITH NATURE

Camp is a wonderful antidote to "nature deficit disorder," to the narrow experience of modern indoor life. Outdoor experience enriches kid's perception of the world and supports healthy child development

ACCEPTANCE AND LOVE

We are radically and authentically inclusive; we accept everyone, no matter how their story/journey differs from ours; and we strongly encourage ALL campers and staffers alike to embrace and be their authentic selves.
