## By the Numbers...

### Pledging At Plymouth in 2024

**Pledge Contributions Make up 82% of our Income Budget**

- Total Pledges Received: 216
- Total Pledged Amount: \$786,186
- Average Pledge: \$3,640

**UP TO \$2,999:**

Our largest group of pledgers (51% of all pledgers) are **those who give up to \$2,999** (purple blocks). Combined, **they contribute 18%** of the total dollars pledged.

**\$9,000 UP TO \$27,500:**

A small group of 8% of our pledgers **gives more than \$9,000 each** (pink blocks). Collectively, they **add a full 27%** to the total pledged amount.

**IN BETWEEN:**

Two out of every five Plymouth donors (41%) place themselves in the middle, **pledging from \$3,000 to \$8,999** (green blocks). As a group **they provide 55%** of the total amount pledged.

**BECAUSE EVERY PLEDGE COUNTS!**

No matter in which group you find yourself, know that your pledge makes a difference! *It's all together, one pledge after another, that we build our resources for the year.*
